LIST OF OFFICERS ELECTED TO REMAIN UNDER THE OLD LEAVE RULES.

Mr. L. H. Jacob.

*The leave rules in force before the introduction of the
Travancore Service Regulations.*

1. Casual leave.

Casual leave is allowed to the aggregate extent of 15 days in a year; but it shall not exceed 5 days at a time except with the special permission of Government. It shall not be taken in conjunction with any other kind of leave or vacation by either preceding it or in continuation of it, without the special permission of Government except in case of sickness. Casual leave due in one year but not availed of in that year cannot be claimed in a subsequent year.

Leave allowance during C. L.

Full pay and allowances.

2. Privilege leave.

The amount of P. L. earned by an officer is $\frac{1}{11}$ part of the time during which he has been on duty without interruption, provided that no P. L. can be earned by an officer by duty performed while 3 months' such leave is due to him, and that, whenever duty is interrupted all claim to P. L. earned theretofore is forfeited. It is allowed at the rate of one calendar month for every eleven complete calendar months of duty and one day for eleven days of the balance.

Privilege leave allowance.

Full pay and such allowances as are directly held by him provided no substitute is appointed.

3. Sick leave.

Sick leave for three years in all but not for more than two years at one time, on production of a satisfactory medical certificate.

Certificate may be dispensed with if the leave is only for a period not exceeding one month.

Allowance during Sick leave.

Sick leave allowances for the 1st 12 months of each period of absence are half of the substantive pay, for the remaining period one-fourth of the substantive pay.

4. Furlough and Preparatory leave.

Furlough for 3 years during the whole service of 30 years may be granted as follows: One year after a period of 8 years, another year after another period of 8 years, a third year after a further period of 8 years. An officer entitled to furlough is also entitled to one month's preparatory leave, each time on full pay.

Leave allowance on furlough.

An officer when on furlough is entitled to half of his average pay during the past three years.

5. Extraordinary leave.

Extraordinary leave without allowance may, in case of absolute necessity, be granted for such time as may be necessary. Time spent on leave under this rule does not count as service for other leave.

6. General.

No kind of leave, except sick leave, can be granted in continuation of any other kind of leave; but any leave granted under these rules may be retrospectively changed for any other kind or period of leave for which the officer was qualified when the leave was originally granted.

No privilege leave or leave on private affairs or furlough can be availed of in anticipation of sanction.

An officer who overstays his leave or joining time shall be entitled to no pay or allowance for the period of excess; if this period exceeds two weeks, he shall not be allowed to join his appointment without a special order of Government.

An officer absenting himself without leave will forfeit his appointment after a continuous absence of two weeks.

[An officer on long leave may not without permission of the authority which granted him leave, return to duty more than fourteen days before the end of the leave.

Explanation. The expression "long leave" means any leave or a period exceeding 3 months.]
